Docket No. 98N-1265 1395 '99 APR 28 AIO:12

Food and Drug Administration

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS:

Prescriptions from compounding pharmacies
allow a patient's individual needs to be
accommodated. I am tired of "cookie cutter"
one-size-fits-all medicine and insist
on my right to be treated with only
that medicine which maximizes my health.
